

# SETUP SHEET

## SHIELD DISPLAY FOR POS SYSTEMS

P/N: 2251717104

Included in package:		
Quantity	Description	Image
1	Front Panel	
1	Left Side Panel	
1	Right Side Panel	
1	Stiffener Bracket	
6	Lock Nuts, 8-32	
4	Rubber Pads	

### STEP 1

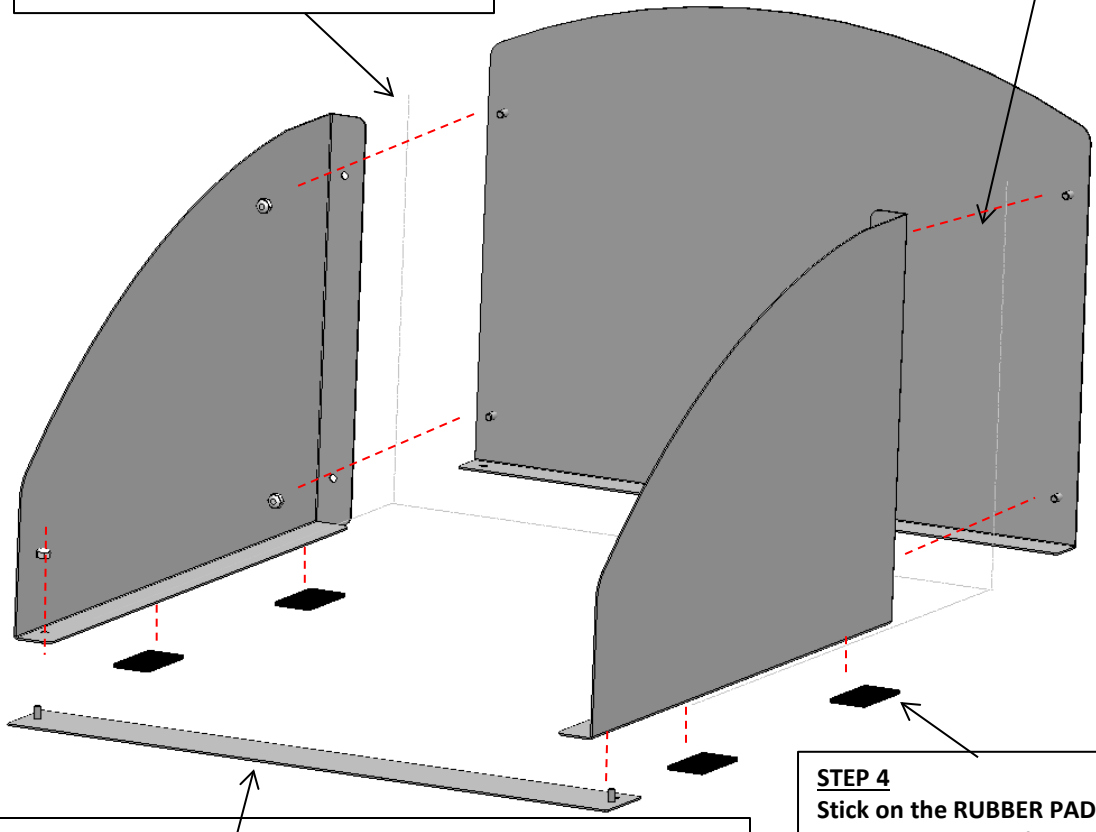

#### Attach left side of the FRONT PANEL to LEFT SIDE PANEL

Align the hole openings on the LEFT SIDE PANEL to the studs located on the inner side of the FRONT PANEL.  
Fasten by using two (2) of the LOCK NUTS provided.

### STEP 2

#### Attach right side of the FRONT PANEL to RIGHT SIDE PANEL

Align the hole openings on the RIGHT SIDE PANEL to the studs located on the inner side of the FRONT PANEL.  
Fasten by using two (2) of the LOCK NUTS provided.

### STEP 3

#### Attach STIFFENER BRACKET to the RIGHT + LEFT SIDE PANELS

Align the hole openings on the underside of both panels to the studs located on the STIFFENER BRACKET. Fasten by using two (2) of the LOCK NUTS provided.

### STEP 4

Stick on the RUBBER PADS on the underside of both side panels to provide a slip-resistant surface.
